EVENT BROCHURE 2024

WORLDLY FLAVOURS

The Traveller is an internationally oriented restaurant concept created by Michiel Deenik, head chef and owner of the restaurants Visaandeschelde and The Traveller in Amsterdam.

The Traveller's culinary journey continues in the Rivierenbuurt in Amsterdam South. The striking and spacious restaurant is located at the Europaplein, right next to the Rai Convention Centre. The Traveller Zuid is a vibrant meeting place for local residents, entrepreneurs, students and conference visitors. Step inside The Traveller at any time of the day as we are open from morning until late at night ¿Habras español?...our staff is also international.

The menu features a mix of the tastiest traditional dishes, prepared in our ultramodern open kitchen. Several plates are to be shared, in keeping with the food culture in different countries.

Take a seat and enjoy a titillating breakfast, salad, bowl, lunch, share-dinner or a pick-me-up bar bite. We're easy! In addition, the extensive drinks menu is internationally oriented with "special" beers, wines from all continents, exciting cocktails, G&Ts and much-much more.

The Traveller Zuid has a delightful, modern interior and the ambiance is relaxed. A grand staircase leads to the Upper Deck floor (surrounded by glass) which is intended for groups. In the summer there is ample space for outdoor seating, at the edge of the buzzing Scheldeplein. And to kick off the weekend, a live DJ turns your favourite playlist every Friday afternoon. Feel the vibes!

The Traveller concept is the brainchild of Michiel Deenik, chef and owner of restaurant Visaandeschelde (across the street!). Together with Neal Valentijn, he embarked on the adventure, inspired by their shared passion for travel and the exciting flavours of world cuisine. The Traveller unites cuisines of the world and that's why The Traveller is for everyone. The Traveller is also the ideal location for your birthday celebration, an anniversary, a private dinner, meeting, reception, cocktail party, walking dinner and much more. composed for the purpose. Our Sales & Marketing Coördinators would be happy to listen and share thoughts with you and consider what is possible.
